

RMAEP Student Scholarship Application Form

The Rocky Mountain Association of Environmental Professionals (RMAEP) is pleased to announce our 2026 Student Scholarship! The RMAEP Student scholarships are for College Undergraduate and Graduate degrees for those working towards a career in Environmental Science, Geology, Engineering, or Construction and enrolled in schools located in Colorado or Utah. We are offering four (4) \$2,000.00 Scholarships to students in Colorado and Utah for the 2026-2027 school year.

Scholarship Details:

- Number of Scholarships: Four (4), Two (2) for students enrolled in Colorado and Two (2) for students enrolled in Utah
- Scholarship amount: \$2,000 each
- Eligibility: Open to students pursuing a career in Environmental Science, Geology, Engineering, or a related environmental field.
- Application Deadline: September 25, 2026, 11:59 PM

Scholarship Use:

The RMAEP Student Scholarship funds are not ear-marked and can be used responsibly to support various education needs, including but not limited to books, tuition, rent, utilities, child care, etc.
